

Finding us:

If you take the tube you must get off at Chancery Lane Tube station (Central / Red line), exit 3.

As you get out you will see a café called Cafe Vergianno and next to it a Vodafone shop. Walk through the passageway that you will find adjacent to the Vodafone shop and you will get into a patio. Look ahead and left and you will see the entrance to No. 9.

We are on second floor right as you get off the elevator or left as you get to the second floor using the staircase.

I attach a couple of pictures for your ease of reference.

Should you have any problem please phone us and I will get someone out to find you.

Kind regards

Antonio Arenas
